

MIT Figure Skating Club
Paid Instructor Information Form 2010-2011

Your registration with the MIT Figure Skating Club permits you to teach Club members during appropriate Club sessions. Please review our ice schedule and usage rules, including program music privileges, on our website at <http://web.mit.edu/skatingclub/www>. By the terms of our agreement with MIT, you may not bring in guests to skate or teach non-Club members at the MIT rink. In addition, all payments for coaching must go through the Club. Bring this form and attachments to the rink for your first session. If you have any questions, contact the Club officers at skating-admin@mit.edu.
